

Memorandum for the Record - S. 1264 - Federal Acquisition Act

James H. McDonald
Director of Logistics

OL 9 0236

STAT

2C02 [redacted]

22 JAN 1979

Deputy Director for
Administration

Don:

The attached memorandum has been distributed to Office of General Counsel, Office of Legislative Counsel and the Comptroller. It appears very likely that S. 1264 will become law this year. The most critical provision of the bill is related to the role of the General Accounting Office in review of contracts. This matter is being reviewed by OL Procurement Management Staff, Office of General Counsel, and Office of Legislative Counsel.
